

Faithful Stewardship Starts with Financial Confidence

ParishSOFT Managed Accounting Services powered by Jitasa
Professional accounting support that strengthens stewardship, so your staff can focus on ministry.

When Accounting Becomes Harder, Ministry Shouldn't

Finding and retaining qualified accounting professionals has become increasingly difficult. At the same time, Catholic parishes and dioceses face growing compliance requirements, audit expectations, and financial complexity.

When accounting demands grow, ministry shouldn't take a back seat.

A Better Way to Manage Parish Finances

ParishSOFT Managed Accounting Services combines the trusted ParishSOFT Accounting platform with Jitasa's dedicated accounting professionals. Your staff gains experienced financial expertise working directly in the system you already trust, no migration, no disruption, just stronger stewardship.

Challenge	Solution	Impact
Staffing shortages	Dedicated accounting professionals	Continuity without adding headcount
Manual, time-consuming processes	Monthly accounting & reconciliations	More time for ministry
Inconsistent reporting	Standardized financial reporting	Greater visibility & confidence
Audit & compliance pressure	Audit-ready financial records	Reduced risk and stress

Three Reasons Church Leaders Choose Managed Accounting

Stewardship Confidence: Accurate financial records and reliable reporting strengthen transparency and trust.

Operational Relief: Reduce administrative burden while extending your finance team's capacity.

Mission Focus: Free pastors, business managers, and finance leaders to invest more time serving their faith communities.
