

Family Directory

The cornerstone of ParishSOFT Family Suite,
designed for Catholic Parishes.

The Family Directory is the cornerstone of ParishSOFT Family Suite, designed for Catholic Parishes. It's a web-based system that efficiently tracks every family, parishioner, and sacramental detail for ministries. A modern interface offers a seamless blend of established functionality and new tools for day-to-day administrative tasks. Accessible from any device with an internet connection, it ensures fast and easy data management, automatic backups, and integration with other ParishSOFT modules.

The Family Directory includes My Own Church, where parishioners can log in to register for classes, volunteer for ministries, check giving history, and update contact information. This feature enhances online engagement and integrates seamlessly with the central ParishSOFT Database.
