

Offerings and Pledges

Offering and Pledges is a tailored solution designed to meet the unique offering and pledge requirements of the Catholic Church.

ParishSOFT Offering and Pledges empowers parishes to track family and member contributions efficiently, manage pledge campaigns, and generate essential information for thank-you letters, reports, and statements. The seamless integration with Family Directory ensures accurate itemization of all income to the appropriate funds and correct donors, maintaining consistency across records.

ParishSOFT Giving, integrated with Offering and Pledges features functionality by which thousands of parishes rely on to manage funds and batches, control use access, post contributions to individual members or families and managed their own pledge campaigns - but with enhanced functionality for online giving, text giving and giving kiosks.
