ParishCast

*Simplify communication and
keep your parishioners informed*

Effective communication is essential for a thriving parish and successful ministry. ParishCast is a user-friendly and versatile communication system for parishes, enabling you to send urgent notifications, event reminders, and schedule updates to your parishioners. It streamlines communication and ensures that your members stay informed. From any location and at any time, you can effortlessly distribute mass communications to your entire parish or specific groups.

Quick Communication

ParishCast empowers your parish so you can communicate quickly and effectively when a last-minute change occurs or when an emergency strikes. Send severe weather alerts automatically to parishioners or inform them of schedule changes rapidly.

Volunteer Registration

ParishCast allows you to communicate via email, text, or voice messaging to request volunteers for a one-time or recurring event. This flexibility assures your message is heard so they can be aware of opportunities and quickly sign up to serve.

Voice Messages

ParishCast provides numerous text-to-speech options for your voice messages. But we know nothing can replace hearing an announcement in a voice you recognize, which is why ParishCast allows you to record your messages in your voice.

Social Media Integration

Mass communication can be sent with ParishCast. However, did you know that with social media integration, you can send a message and automatically post that notification to your parish's social media accounts? Now, people can get your message no matter how they desire to receive updates

Advanced Reporting

With numerous reporting options in your ParishCast Command Center, your parish can view which messages were the most successful. Choose to boost engagement and ensure news is shared more effectively throughout your parish.

Stay in Touch

Good communication is essential to every parish, and ParishCast makes reaching others quick and convenient. Ensure your parish's voice is heard by sending messages instantly or scheduling them in advance to connect with group leaders, parishioners, and volunteers.

Prayer Requests

Contact your entire parish or specific groups within the parish to ensure that your prayer request list is up-to-date and accurate. Gather new prayer requests and update current prayers.
