

Important Changes Coming to Your Account

Dear WeShare Customer,

We are pleased to share that WeShare Giving is being rebranded ParishSOFT Online Giving! This change represents a significant milestone in our journey to best serve our clients.

This change will take place throughout the first half of 2025. We will communicate with you and your parishes well ahead of the rebranding rollout.

Why the change?

By aligning WeShare with the ParishSOFT brand, we are creating a more unified suite of solutions for our customers. This synergy allows us to deliver even more value to you with a broader portfolio of solutions through Giving, ChMS, Accounting, and more.

What does this change mean for WeShare Accounts?

- Functionality with the giving software will remain unchanged.
- The WeShare Administrator will notice the ParishSOFT Logo along with a blue and white color scheme.
- Your current URL will redirect automatically.

Impact on WeShare Donors:

- There is no interruption to Donor recurring gifts.
- There is no change to Donor login. Username and password will remain the same.
- Dedicated Donor support is still available.
- Donor bank statements transaction description will remain unchanged and will typically appear as "GIV*Church Name".

In the coming weeks we'll be sharing more details about the timeline of the rebranding.

Thank you for your continued trust and partnership. We're excited about this new chapter and the enhanced value we'll be able to provide as ParishSOFT.
